

EAST TENNESSEE HISTORICAL SOCIETY

..... *Making history personal*

March 3, 2021

Dear Friend of History,

Since 1982 the East Tennessee Historical Society has recognized individuals or organizations that have made special contributions toward the preservation, promotion, and/or interpretation of the region's history.

In an effort to make these awards an accurate representation of the region's commitment to history, we ask organizations across the area to consider making nominations for these awards. Societies also should feel free to nominate themselves when applicable. Nominated projects should have been completed within the past two years and apply to East Tennessee-related projects.

A brief description of these awards is listed below:

**Teaching Excellence** — for outstanding or innovative teaching of history or genealogy at any level, from grammar school through adult education.

**History in the Media** — in recognition of excellence in the promotion, preservation, or interpretation of history by an individual or organization connected through writing, production, performance, or the Internet.

**Award of Distinction** — (individual or organization) in recognition of a special project, such as a book or other publication; building preservation; or special programming (conference, heritage event, lecture series, other).

**Community History Award** — in recognition of excellence in community leadership, specifically in promoting the preservation of local/regional history and heritage.

**Ramsey Award for Lifetime Achievement** — individual who, over the course of a lifetime, has made outstanding contributions to the preservation, promotion, or interpretation of East Tennessee history.

We hope you will consider making nominations on behalf of your society. Please also announce these awards to your membership and in your newsletter to encourage individual nominations. Recipients will be recognized at the ETHS Annual Meeting.

An Award Nomination Application is enclosed. Nominations should be postmarked by March 20, 2022. Winners will be notified at the completion of judging. If you have any questions, please feel free to call me at 865-215-8823 or email [dockter@eastTNhistory.org](mailto:dockter@eastTNhistory.org)

Sincerely yours,
