History Award Nominations Sought

The East Tennessee Historical Society (ETHS) is seeking nominations from across East Tennessee for Awards of Excellence in the field of history. Each year, the society recognizes individuals and organizations that have made significant contributions to the preservation, promotion, and interpretation of the region's history.

Awards are in four categories:

The Award of Distinction recognizes a special project, such as publications, building preservation, or special programming, including a conference, heritage event, publication, lecture series, or other.

History in the Media Award is presented to someone in the field of television, radio, newspaper, magazine, Internet, for outstanding contributions to the promotion of our region's history.

Teaching Excellence Award is for outstanding or innovative teaching of history at any level, grades one through adult education.

The Society's most prestigious recognition is the Ramsey Award for Lifetime Achievement. This award is reserved for one who, over the course of a lifetime, has made outstanding contributions to the understanding and preservation of East Tennessee history. It is named for ETHS founder and early historian, Dr. J.G.M. Ramsey, author of *The Annals of East Tennessee to the End of the Eighteenth Century*.

These prestigious awards have been presented by the Society each year since 1982 to individuals and organizations with outstanding contributions in the fields of teaching, the media, preservation, publishing, and lifetime achievement
